

DELTA PROTECTION COMMISSION

Community Meeting Summary - Round Two

November 10, 2010 - North Stockton/West Lodi (Manlio Silva School) - 6250 Scott Creek Dr. - 6-8:00 p.m.

The purpose of the Round Two public meetings was to review and discuss the preliminary draft Framework Study for the Economic Sustainability Plan for the Sacramento-San Joaquin Delta. The meeting was called to order at 6:05 p.m. by the Economic Sustainability Plan Framework project team. A 30 minute presentation was given by the team and the participants asked questions for fifteen minutes. The participants completed surveys handed out at the beginning of the meeting to review the framework, section-by-section. The following suggestions were offered (listed below as outlined in the draft framework):

Key Drivers

- No additional drivers were suggested (although questions were asked about the drivers being “too narrow” and what the role of the Legacy Towns is in the plan).

Key Sectors

- Ports and other transportation sectors? Call out recreation separate?

Key Assets

- Levees are assets. Should we add residential areas as assets?

Key Factors (economy as a whole)

- Advocacy (public awareness)...telling our story.

Key Factors (by sector, only listed if suggestions were offered)

- Food Processing... - infrastructure (levees and transportation)
- Tourism - limited access (to water) for viewing (etc.)
- Fishing/Hunting - consistency of terms (use in this section - water quality and quantity - why called out here)
- Government/Public Services - leadership, education...empower the people.
